

X CHURCH

At X Church, we aim to create Next Steps for your spiritual faith journey. We know that spiritual growth is not a one-size-fits-all process. This personalized dashboard will help you discover ways to engage more with your faith and this community. The criteria below describes what is necessary to light each badge. If you have any questions or need assistance, please email dashboard@thex.church.

Salvation is the first step in following Jesus. The journey begins with a faith decision to surrender your life to Jesus.

Baptism is your way of sharing your decision to follow Jesus with your friends and family.

We believe the Church does not exist for us. We exist for the world.
